

Online Registration Guide for contest

IMPORTANT TO KNOW BEFORE REGISTERING :

- "Username" or "User ID" means the same. .
- Username / User ID doesn't mean "email id"
- One "username" is linked to one registration title only. So, every title must be registered under unique username. (To map contest report to unique login)
- Password reset can only be done with username, so, use "username" to reset password.
- A user by default exists with data of previous contest data (or data of initial/first time registration). So, you must review and update the data as per the present contest (title, circulation, etc).
- An email id might have multiple usernames (registered in previous contest)
 - Use (input) Email id in "Lost password" to get the single/multiple USER ID's 0 associated with the email (username(s) will be sent to email).

FORGOT USER ID(S) or PASSWORD?:
